**WHY
YOU
NEED
ECF**

www.ecf-fl.org

WHY YOU NEED ECF...

The Electrical Council of Florida unifies, educates and strengthens all segments of Florida's growing electrical industry. ECF promotes closer cooperation between all phases of the electrical industry.

ECF unites the entire electrical industry to protect the interests of the general public and small businesses. ECF closely monitors municipal, county and state legislation to protect these interests.

INFORMATION & EDUCATION

ECF provides a means for all members of the electrical industry to receive timely information and exchange ideas.

ECF has **Free** State sponsored CEU credit programs in various locations statewide.

ECF conducts local National Electrical Code Change classes.

ECF sponsors Apprenticeship Training in selected areas.

ECF has meetings that include technical programs on new equipment and products, business management programs and "general information" programs.

ECF encourages and supports the electrical industry in educating the public on the efficient use of electricity to conserve natural resources.

WHO BELONGS TO ECF?

- Electrical Contractors
- Journeyman Electricians
- Suppliers & Distributors
- Electrical Inspectors
- Manufacturers & Representatives
- Utility Supervisors
- Facility Engineers
- HVAC Contractors
- Consulting Engineers
- Telecom & Alarm Installers

PROBLEM SOLVING

Since ECF membership includes every facet of our industry on an equal basis, we have the in-house capability to solve our day-to-day problems and to avert problems which we may foresee.

ECF **WORKS** with government agencies to eliminate unlicensed activities.

ECF **WORKS** with electrical utilities and CTV companies to promote closer communication and cooperation.

ECF **WORKS** to streamline the permit process.

ECF WORKS FOR YOU!

PUBLICATIONS

All of our members receive News 'N Views, a publication that keeps members up to date on:
Industry Changes
Legislative Activities
Technical Features
Business Management....And More

The information contained in News 'N Views is enough to justify the annual membership dues.

CHAPTER MEETINGS

Members are encouraged to attend these "grassroots" meetings. You will meet and network with other associates in the electrical industry and make valuable contacts. The programs presented are both interesting and informative.

STATE MEETINGS

These meetings are open to all of the general membership. They feature informative speakers, committee workshops, ECF business meetings and the election and installation of officers.

Membership Categories and Dues Structure

- **Individual or Company Membership - \$200.00**
Provides a single membership in the selected local chapter.
- **Electrical Council Action Planning - \$300.00**
Provides a single membership in the Electrical Council Action Planning Committee.
- **ECF Corporate Membership \$300.00**
Provides a single membership for the Corporate Office with choice of chapter. Additional memberships for individuals from the same company are \$100.00 each.

- **Associate Member Dues -- \$25**
This category is for field oriented employees. Associate members must be sponsored by a Corporate or ECAP member. Associate members may participate in chapter activities, but may not hold elected office at the local or state level and are not eligible for free CEU training. This level of membership is available for EC/ER members only.

Individual, ECAP and Corporate Members receive News 'n' Views magazine and are eligible for Continuing Education Credits at no charge.

Central Florida Chapter members please add \$20.00 for each member in all categories
