

Electrical Council of Florida Ridge Chapter Meeting Notice

Tuesday - September 14, 2010

Ling's Buffett

4320 South Florida Avenue

Lakeland, Florida

6:30 - 8:30 p.m.

Cost: \$20.00 per person (Meal)

Please plan to join the Ridge Chapter of ECF on Tuesday, September 14, 2010. James F. Rizk, M.S., CIH, will be our speaker and will enlighten us all on the subject of the EPA's rules on Lead Base Paint Renovation, Repair and Painting that are now in effect.

Mr. Rizk is fully certified by EPA in all aspects of lead consulting activities and has developed numerous lead safety and health plans and awareness training programs and has agreed to share some of his knowledge with our Electrical Contractors.

ECF is now coordinating with Mr. Rizk to conduct the necessary training to comply with the EPA rules. A flyer will be sent out shortly announcing the schedule for this class.

Please note that the August meeting will be held on the second Tuesday of the month, so as not to conflict with the Labor Day holiday.

Our thanks to Billy Townsend who has agreed to postpone his humorous (but serious) look at what happens when we don't follow the code or practice safety guidelines on the job until our October meeting so that we can get the EPA information out to everyone.

*Reservations Appreciated...Please call Randy Cruickshank at
863-665-5400 to register.*

Not a member? Come check us out and join in on the ECF experience.
